I. AMENDMENT

This amendment is in response to the Office Action mailed on April 3, 1997.

Applicants respectfully request that the following amendments be entered into the
above-captioned application.

[Please amend the claims as follows:]

2. (Twice Amended) A television receiver station apparatus for detecting
the status of a television display and storing a television program on a video storage
device depending on the status of said television display, said television receiver station
apparatus comprising:

a receiver section for receiving a broadcast carrier transmission;
